PAY AS YOU GO LEGAL ADVICE

Take control with Corlett Bolton

At Corlett Bolton & Co we recognise the need to continuously look for flexible and effective ways to offer our services. That is why in 2013 we unveiled Pay As You Go legal advice. A first for the legal sector on the Island.

An affordable alternative to traditional legal services, this unique service enables you to get straightforward, practical legal advice on a range of matters at a price that reflects the level of involvement that you ask us to have.

How will this work?

Rather than instructing an Advocate to manage your case from start to finish, through our PAYG service we will help you identify the areas where you may need our help and expertise and then help you to deal with the matter yourself. You will only be charged for the time we spend with you face to face.

Our Advocates will be able to assist with:

- initial advice and making sense of legal jargon;
- explaining and checking through your drafted documentation;
- advising on procedure and processes and what to expect in terms of court fees and other expenses

And much more, all from Advocates with a wealth of experience who can assist you with your legal problem and help you stay one step ahead.

Advantages to this scheme

Control

You control how much or how little we do. You will run the matter, deal with the day-to-day correspondence, and complete any necessary forms. We provide advice or assistance when it suits you.

Cost

You only pay for the time spent face to face with one of our Advocates. We will require payment on the day of your meeting avoiding any later administration costs.

You handle the paper work yourself further reducing your legal costs.

Advantages to this scheme (continued)

Fast

YOU are YOUR only client; you work as quickly as you want.

Flexible

This service is tailored to your needs but if at any point the matter becomes too difficult or you want to take a step back you can transfer to our traditional service with the assurance that your Advocate is already familiar with your case and will not need to spend your money 'catching up'.

Quick and reliable advice

We aim to be able to provide you with efficient and resourceful solutions to breakdown and simplify issues which may initially seem overwhelming.

We usually offer our PAYG service in the following areas:

- Family law and divorce
- Employment
- Leases and Tenancies
- Licensing
- Debt
- Small claims

But if you are interested in this service in one of our other areas of practice please contact us and we can discuss whether this option will be available to you. This service is not available for conveyancing.

We only charge for the time you use in our pre-arranged meetings. Our rates will be based on half an hour blocks of time at our Advocates' applicable charge out rate.

If you wish to discuss this service, call or email us today on **01624 676868** or **mail@corlettbolton.com**

We look forward to hearing from you
